

# FINANCIAL ANALYTICS REPORT

Financial Analysis of Top 500  
Companies in India

-Ramkuvar Prajapati

UNID - UMIPII86I

# INTRODUCTION

- 1 In today's highly competitive business environment, understanding the financial health and market position of leading companies is crucial for making informed management decisions.
- 2 This project aims to analyze the top 500 companies in India based on their market capitalization and quarterly sales figures.
- 3 By leveraging advanced data visualization tools in Tableau, we seek to uncover key insights into the market dynamics, growth trends, and competitive landscape of these prominent firms.

# DETAILS OF DATA
